"The pledge program started with some rough spots but as the year goes on things begin to pick up. The pledge class is very excited about St. Pat's and Founder's Day and are willing to participate. Everyone is in high spirits this year and house moral is up to its highest."
- Andrew Galvan

"Financially we are doing fine. We would like to get some donations from the Alumni to fix up the house and also for RUSH, RUSH, RUSH. Our goal is to get at least 25 people in the house this upcoming fall. We also would love to see a large Alumni presence at all of the events. Please RSVP."
-Kevin Mueller

House Manager

"We would like to make some improvements in and around the house like redoing the kitchen, which would make it look very nice continues on page 2

and maybe the deck outside on the front porch. All of these improvements would help out with rush and it would help in preserving the beauty of our house. Take care and hope to see you at the events."

St. Pat's 2006

The St. Pat's celebration week starts on Monday 13th. As always we will have our annual "Beer for Breakfast" celebration starting that Monday and going until Wednesday. So get your greens on and let's party!!!!!!!!!!!!!!

Founder's Day 2006 Info

This year we will be celebrating Founder's Day on the weekend of April 22 and 23. Like usual, we will have some type of activities and socials.

However, there are some conflicts with the assigned dates. PRO day being the day before Founder's Day, the consumption of alcohol from all day Friday 21st until noon on Saturday 22nd will not be tolerated. Everybody who is caught drinking on our property during those strictly enforced, non-alcoholic hours, will be asked to leave just simply because the house will get in trouble. Other than that, we can have our regular socials on Saturday and Sunday.

Some of the activities that we had in mind for Saturday were : active/alumni meeting, sporting games like softball or golf, a BBQ with a "mini social" and a washers tournament, and of course the "main" social on Saturday night.

We hope to see you there!!!!!!!!!!!!!!
